

It's back-to-school time:
Add an important item
to your to-do list

For parents, back-to-school season means it's time to stock up on school supplies. But it can also be a good time to think about how to save for your child's future education.

If you're like a lot of parents, you want to ensure your child gets the best education available. Helping to enrich his or her life is one of the most important investments you will make.

Developing a strategy for achieving your education savings goal can help you stay on track. And if you have other goals, such as saving for retirement, it's important to address how they fit into your overall financial strategy.
