A monthly educational session helping you to live a healthier life!

“Shoulder surgery: Why might I need it and what should I expect?”

By Justin Harris, MD, with Nebraska Orthopaedics and Sports Medicine PC, Lincoln

Dr. Harris visits Jefferson Community Health & Life twice a month for outpatient clinics and surgeries.

Wednesday, Aug. 16

12:20 p.m.

Conference Room, Jefferson Community Health & Life
2200 H St., Fairbury

For easiest access use the Main Entrance and follow the “Hospital” sign from the main lobby.

The program is FREE and open to the public.

Lunch will be available for purchase from the JCH&L cafeteria (located near the conference room) or bring in your own lunch.
