Dear Community Investors,

My name is Samantha Rink and I am the Youth Leadership Coordinator at the FYI Center and I am asking for your help.

If you could give a young person a safe and supervised place to go after school, would you? What about helping kids get better grades? The ability of the Family Youth Involvement Center to serve the community is directly impacted by the economy and by funding source priorities. Constant changes in these factors mean that it is difficult to predict how much additional revenue will be needed to continue operating. Studies have shown that young people who participate in after school programs are more likely to succeed in school and stay out of trouble. Please help us give youth in our community this advantage in life.

The F.Y.I. Center is providing homework assistance, financial literacy, arts & crafts, civic engagement, gardening & cooking, healthy physical recreation, and positive role models creating a sense of comfort and safety for over 200 local youth. This is your community and these are your kids, and they are the future of this community. Please consider investing in the future by investing in programming for youth in your community through supporting the FYI Center.

All donations are welcome and appreciated. If you're able to make a donation, please make checks payable to BVCA/FYI Center. Because BVCA Partnership is a 501(c)(3) organization, and we are under the umbrella of BVCA, your donations are tax-deductible.

Thank you for taking the time to consider this request; we look forward to having you join in our efforts. If you have any questions please contact me, Samantha Rink, at the FYI Center at 729-6510 or email me at srink@bvca.net.

Best Regards,

Samantha Rink, Youth Leadership Coordinator
