June 1st, 2024 9:00am-4:00pm

71765 581st Ave Jansen

At this camp you can learn what it's like to have a horse for a day! Learn to care for one of God's most majestic creations, including grooming, hoof care, horse health, tacking and stall care. Campers will get to ride in the outdoor arena, practice how to steer, stop, turn, and walk. Throughout the day and in each activity, the campers will have the opportunity to hear from the camp staff simple messages teaching about God's offer of salvation and what that means to us.
